

New Zealand Activity List South Island

With so much to see and do in New Zealand, you'll want to allocate your pennies accordingly and get the most out of your time. Activities can be booked via our Stray Mate App and there are plenty of free things to do too!

How to book:

Login to your Stray Mate App and select the destination you're interested in. Choose the activities tab.

Choose activity, date & time, then book using your credit card. If you can't do this for any reason, chat to your driver and they can assist you.

Please note: Once booked, date cannot be amended. If you need to change the date, you will need to cancel and rebook (subject to a cancellation fee as stipulated in the activity operator's cancellation policy). Prices change regularly and are often dependent on the season.

Pre-booked activities: If you have pre-booked activities in your pass, you'll see this as 'PREPAID' in the Stray Mate App. This means that they are paid for, but you will need to tell us what date you would like to travel. Activities booked by other travel agents will not be in the App.
